The Department of Computer Science at Technical University Darmstadt invites applications for the position of

## Research Assistants/Doctoral Researcher (all genders) in Cryptography and Complexity Theory

in the group of Professor Marc Fischlin. More information about our research is available under → [www.cryptoplexity.de](http://www.cryptoplexity.de). The starting date is as soon as possible. The initial funding for the position is for three years, but the contract should be renewable.

Candidates are expected to perform scientific research in the areas of the projects, and to contribute to the teaching, research, and administrative tasks of the group.

### Your Profile:

- Master's degree (or equivalent) in Computer Science, Mathematics, or a similar discipline,
- Extensive knowledge in the areas of cryptography and IT security,
- fluent English language skills,
- experience in IT system administration is welcome.

### How to Apply

- curriculum vitae, ideally including references,
- copies of relevant diplomas and certificates,
- short research statement.

TU Darmstadt is an autonomous university with broad research excellence, interdisciplinary profile and clear emphases in engineering and information and communication technology. The Department of Computer Science is one of the leading CS departments in Europe and placed regularly in the top group in nationwide rankings. In the area of Cybersecurity, TU Darmstadt is one of the leading research institutions within Europe focusing on a broad spectrum of applied and theoretical research.

Opportunity for further qualification (doctoral dissertation) is given. The fulfillment of the duties likewise enables the scientific qualifications of the candidate.

The Technische Universität Darmstadt intends to increase the number of female employees and encourages female candidates to apply. In case of equal qualifications applicants with a degree of disability of at least 50 or equal will be given preference. Wages and salaries are according to the collective agreements on salary scales, which apply to the Technische Universität Darmstadt (TV-TU Darmstadt). Part-time employment is generally possible.

The application data should be bundled into a single PDF file. Applications and enquiries should be sent to: Prof. Dr. Marc Fischlin, E-Mail: [jobs@cx.tu-darmstadt.de](mailto:jobs@cx.tu-darmstadt.de) ; Technische Universität Darmstadt | FB Informatik | Kryptographie und Komplexitätstheorie | Pankratiusstr. 2 | 64289 Darmstadt

By submitting your application, you agree that your data may be stored and processed for the purpose of filling the vacancy. You can find our → [privacy policy](#) on our webpage.
