

TUTORS WANTED for Intro to Crypto

The Research Group Cryptography and Complexity Theory of Professor Marc Fischlin is looking for tutors for the *Introduction to Cryptography* course in the upcoming winter semester (WS 2025/26).

Your duties

- conducting a weekly exercise group in English
- offering a weekly consultation hour
- attending a weekly tutor meeting
- giving feedback on homework problems
- answering questions in the Moodle forum
- assisting during the exam supervision and review

The contract runs for 120 hours, spread over the 15 lecture weeks.

Prerequisites

- successful completion of the course
- proficiency in English

If you are interested or have further questions, send an email to introtocrypto@cx.tu-darmstadt.de

and kindly let us know:

- when you attended the course, who your instructor was, and what grade you received for it,
- if you have an English language certificate, or what your level of proficiency in English is,
- if you have prior experience as a tutor,
- what degree program you are currently enrolled in, and if you already have a bachelor's or a master's degree.
